“We are one consciousness ... one light, expressing through the multi-faceted prism of our own essence.”
~ Carol Romine

Join **Carol Romine**, mystic and author of the book “*Avatars of Consciousness Awaken to Your Divine Destiny*,” in a lecture about the ultimate truth of who you are and why you are experiencing life. It is a phenomenal truth that shifts your consciousness, bridges spirituality and science, unifies classical and quantum physics, and heralds the new paradigm shift in collective human consciousness.

You’ll learn that our classical (seen) and quantum (unseen) worlds do not contradict each other, but validate the undeniable truth of *All-at-Once Consciousness™* ... the true nature of you, divinity, our universe—the true nature of everything.

This paradigm-shattering truth will enlighten your mind, bring peace to your heart, captivate your spirit, and imbue you with the knowing that you are not alone, you do matter, and you can engage with your own higher (divine) consciousness to transform, enrich, and more joyfully live your truest life.

At age 9, Carol experienced a transcendent, life-altering encounter with Divinity that awakened her consciousness and unfolded a remarkable life of conscious interaction with Divine energy that ultimately revealed the answers to humanity’s greatest questions: *Who Am I? Why Am I Here? What Is the Ultimate Purpose of Life? Does Consciousness Continue After Death?*

Carol Romine is a Mystic, Spiritual Teacher, Intuitive Counselor, and Author of the groundbreaking book, “*Avatars of Consciousness Awaken to Your Divine Destiny*.”
