Corporate Team Building **PLAY THERAPY**

Build teamwork,
create recognition, exercise,
reduce stress and have fun!

You will see
new leaders
emerge and
witness your
co-workers
cooperating
with great
teamwork as
they
compete
against each
other.

*To paraphrase Plato, you will
learn more about your
co-workers in one hour of play
than you will in a lifetime of
conversation.*

HOLIDAY LANES CORPORATE TEAM BUILDING PLAY THERAPY SESSIONS

Our "Play Therapist" will be your host for your event. You will see new leaders emerge and witness your co-workers cooperating with great teamwork as they compete against each other. To paraphrase Plato, you will learn more about your co-workers in one hour of play than you will in a lifetime of conversation. Build teamwork, create recognition, exercise, reduce stress and have fun!

A Typical Holiday Lanes Play Therapy Session includes the following:

- 2 - 3 hours to meet, eat & play
- 4 - 5 people per team
- 3 play therapy events to build team (typically activities such as bowling, darts and video games to have employees interact and energize leadership)
- Breakfast or Lunch/meal
- "Play Therapist" Facilitator
- Professional Photography of the event

The team building fun usually looks like this:

Teams consist of 4-5 people. 1 hour of rotating team games competing on race car games, terminator shooting game, darts, Hoops basketball throw and team bowling. Finish out the event

with food set up in our Ten Pin Lounge along with an awards ceremony and closing. It's really a lot of fun and your group will enjoy their time with us.
